

Your wedding at Aqua Wellness Resort

THE BEACH WEDDING

Your wedding is an exceptional day and deserves a truly unique atmosphere. The quintessential beach wedding at Aqua Wellness Resort is an experience you and your guests will carry with you forever. Let us help you plan the wedding of your dreams!

Tie the knot with your toes in the sand, during a brilliant sunset on our private white sandy beach. Whether you are marrying or recommitting, we can tailor an experience for anything from a private intimate ceremony to a huge party with mariachis serenading your reception, wish lanterns and spectacular fireworks.

There several packages available to complement your ideas. Our locally experienced coordinators will help organize and manage all of the details so your wedding day will be a breeze. We'll pamper you with special extras so all you have to do is enjoy each other.

OUR RESORT

Aqua was created in harmony with nature. Our 19 free-standing villas are elevated into the treetop canopy providing dramatic views. The villas comprise one-bedroom up to three-bedroom dwellings, with spacious and private accommodation for couples, families and groups of up to 6 per villa, each couple with a private ensuite bedroom.

Enjoy the luxury of private plunge pools and extensive hang out decks surrounded by the tropical dry forest habitat. Top quality beds, sustainable Nicaraguan hardwoods, outdoor showers and indoor/outdoor dining areas create an unforgettable experience. When you venture out of your villa, you will enjoy access to all hotel facilities, including our beachfront restaurant, spa, yoga deck, and our private, secluded white-sandy beach.

Own it! You can reserve the entire resort to share an exclusive experience with your guests and get pampered with all of our attention on this special day.

THE CEREMONY

Saying 'I do' on our private beach in a dramatic sunset setting or on the palapa covered hardwood platform with stunning ocean views is an unforgettable moment.

If you want your marriage recognized as legal at home you can have a civil ceremony, and it is possible to combine this with a religious or spiritual ceremony if you choose. Marrying in Nicaragua is easy - we offer to complete all legal documentation onsite, all you need is a Birth Certificate, a Notarized Declaration of Single Status, a Copy of Couple's Passports, a Copy of Witnesses' Passports (all copies of original, translated into Spanish). You need to be in Nicaragua 72 hours prior to the wedding date. The Marriage Certificate will be sent to you within 4 weeks after the wedding.

The typical beach setup for your wedding has your guests on wooden chairs, a bamboo or wooden arch with floral arrangements, and a PA system for speeches and music.

BANQUET SERVICES

Delight your guests with a unique reception dinner at Aqua's 'Bromelia' restaurant. Our local chefs combine authentic organic flavors with creative flair. Vegetarian and vegan options are available.

Whether you are aiming for the formal elegance of a plated dinner or the relaxed sophistication of a beach buffet reception, we can craft a meal to your tastes. We also offer bar service on our beachfront bar area, and additional setup of 3 private dining palapas (up to 10 each).

'Miami beach' lounge setups are available, with sofas, platforms, beach BBQ or buffet - for groups up to 85. We are happy to design and host a cocktail party for your group.

Our Pastry Chef will design your cake and customize it to your personal tastes - optional consulting chefs are also available to tailor your entire event menus according to your tastes and dietary requirements.

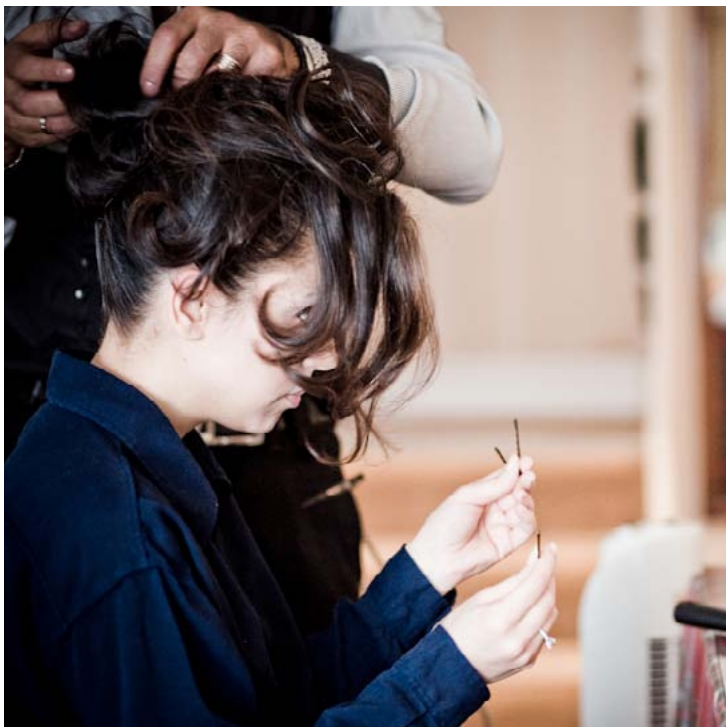

FLOWERS AND DECOR

Nicaragua has an abundance of gorgeous flora for every season. We can create customized arrangements to complement your unique style and color themes, or you can choose from our designed wedding floral package.

PHOTOGRAPHY

You have the option of working with our local professional photographer and videographer who is experienced with the dramatic settings, shot locations and lighting at different times of the day in Aqua. We are equally happy to work with the photographers of your choice. We want the beautiful images of your wedding day and video footage of the ceremony to become your family heirlooms that are cherished forever.

Many options are available, including professional printing, albums, studio photography, raw digital image CDs, postcards, and slideshows set to music. Have the photographer shoot just the ceremony, chronicle the whole day for you and you can also add a one day tour/shoot for bride/groom "love story" available at Redonda Bay and at other scenic shot locations in Nicaragua.
